

Thermo Scientific Forma Pharmacy Refrigerators

Available in four sizes, our pharmacy refrigerators deliver stable temperature control over a range of +1°C to +8°C. They can be configured easily for accurate storage and retrieval of pharmacy products, and feature full extension stainless steel roll-out drawers.

Additional features include:

- 1" insulated access port standard
- Positive forced-air circulation maintains temperature uniformity
- Set of four 2" casters: two locking and two regular
- Environmentally friendly, mercury-free LED interior lighting
- Optional inkless, seven day, graphic chart recorder

Pharmacy Refrigerators

* Published interior volumes are nominal; useable cu.ft. (L) capacities may be offset by shelves, drawers, blower coils, or cabinet protrusions. For specific cabinet dimensions and allowances, or for verification of clearance tolerances, contact our sales representative. Product performance may be affected by ambient temperature conditions, humidity conditions, sample loading preferences, and frequency of door openings. Contact our sales representative for specific inquiries regarding your application.

Environmentally friendly, mercury-free LED interior lighting

Inkless, seven day, graphic, chart recorder

Control Panel:
Keyed on/off switch with set point security

Microprocessor control system with audio and visual alarms
